

UCCIO

Negroamaro - Malvasia

VINI MALACARI

Category: Red wines

Appearance: When poured into a transparent glass, it reveals an intense ruby red color with violet reflections. Its solid and bright consistency promises an intriguing drink.

Smell: The nose is greeted by a complex and compelling aromatic bouquet. Hints of red fruits emerge, such as cherry and blackberry, combined with delicate nuances of spices and floral notes. The presence of Malvasia could add a touch of freshness and livelier aromas to the wine.

Taste: On the palate, this wine offers a pleasant combination of ripe fruit and spices. The sweetness of the red fruits is balanced by a light acidity and well-integrated tannins. The medium structure of the wine combines harmoniously with a softness that envelops the palate.

Culinary pairings: Uccio Negroamaro Malvasia pairs beautifully with Mediterranean cuisine, such as grilled red meats, pasta dishes seasoned with robust sauces, mature cheeses and typical regional cured meats.

Alcohol content: 13.5% vol.

Serving temperature: 16°-18° degrees
