

PUNTO 28 BARBERA BENEVENTANO IGP

AZIENDA AGRICOLA SCIORE

More or less intense ruby-red in colour, tending to brick-red with ageing. On the nose it is intensely fruity with reminiscences of black mulberry, liquorice, moss and tasty and aromatic hints. The taste is typical aromatic, cleanness and dry.

Excellent pairing with meat, especially roasts and grilled meat, and well-seasoned pasta dishes.

Oenologist's notes:

Grape variety: 100% Barbera

Alcohol content: 13%vol

Serving temperature: 16-18° C
